# ADDITIONAL PERFORMING ARTS INFORMATION

The performing arts groups are restricted to certain year levels. Eligibility may vary from year to year, depending on numbers and other factors.

## NOTICES

Notices are usually sent out several weeks in advance of these activities beginning. Notices about music groups will come out in Term 1. There will be ongoing notices where necessary (e.g. leading up to big events).

## ADULT HELP

As these are optional extra-curricular activities, we often need adult helpers at and before events for transport, costuming and supervision. Notices will be sent out around the time of these events regarding extra help needed.

## PRACTICES

Practices for these activities generally take place during school time. Practice days and times will be confirmed at the time of registration. Children who join one of our cultural groups are expected to make every effort to attend all practices and rehearsals.
